OpenIndiana Wiki Home

Welcome to the OpenIndiana Wiki

This wiki is divided into sections to help you navigate:

Installing OpenIndiana or using it for a particular task	Using OpenIndiana
Developing, building the OS, and packaging	Developing OpenIndiana
Contacting the OpenIndiana community	OpenIndiana Community Hub
Finding the most recent changes to this Wiki	Dashboard

Other resources:

Downloading from a mirror	DLC server page
Cloning source repositories	Source Repositories
Reporting a problem	Issue Tracker
Contributing to Openindiana	Getting Involved

If you want to **contribute to the Wiki itself**, you can simply get in touch with the team to obtain an account, directly on the development IRC channel **#oi-dev** on **Freenode**, or on the development mailing-list oi-dev.
